

Joint FPA0+FPA1 -- realistic, no noise (residual spectra by band: best/worst native chi2 + 10 spanning rows)

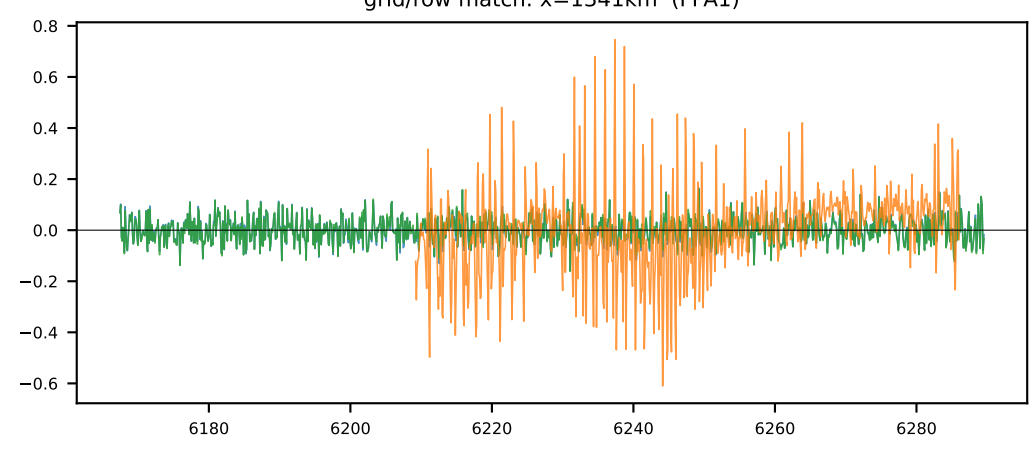

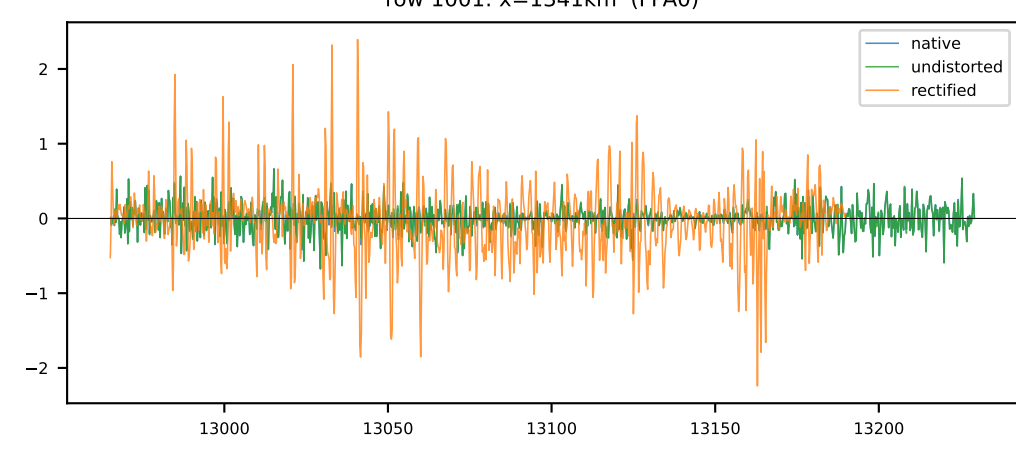

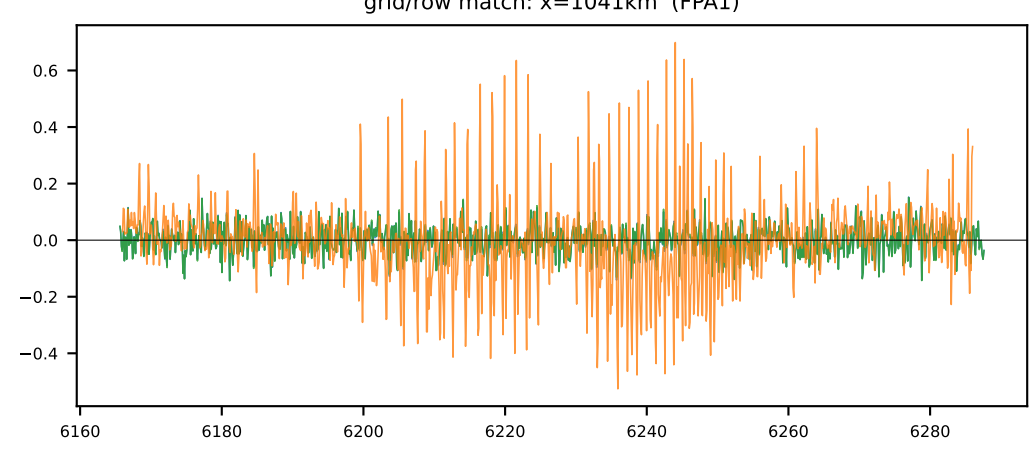

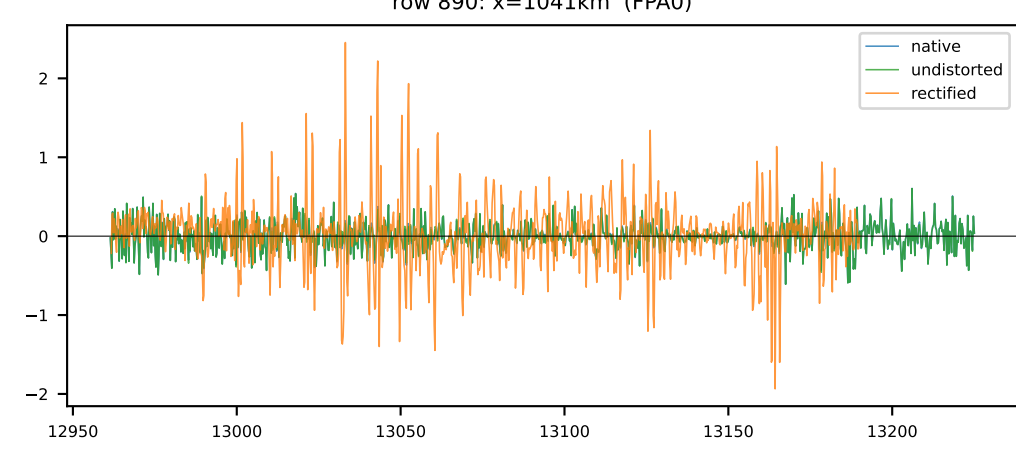

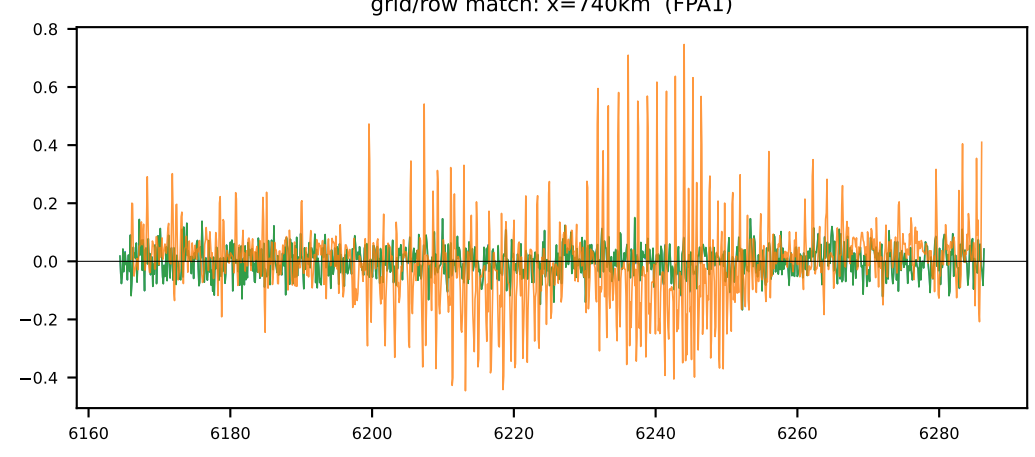

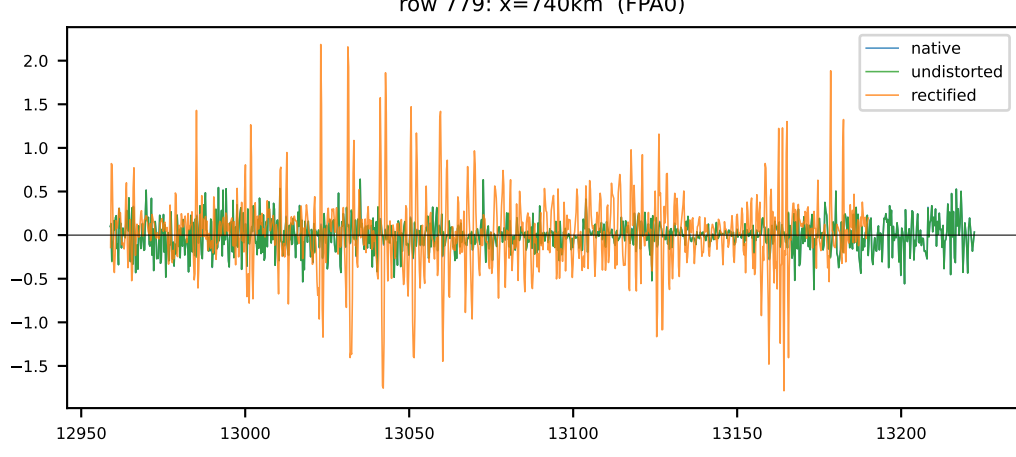

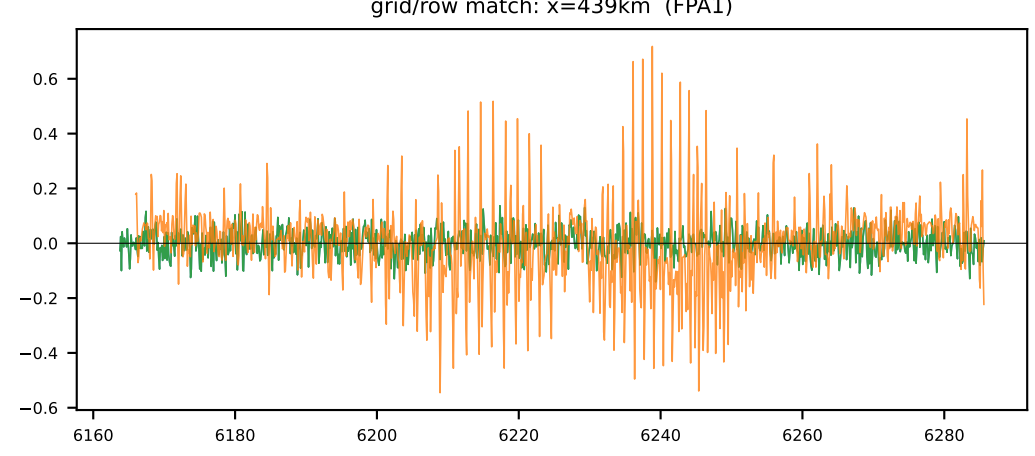

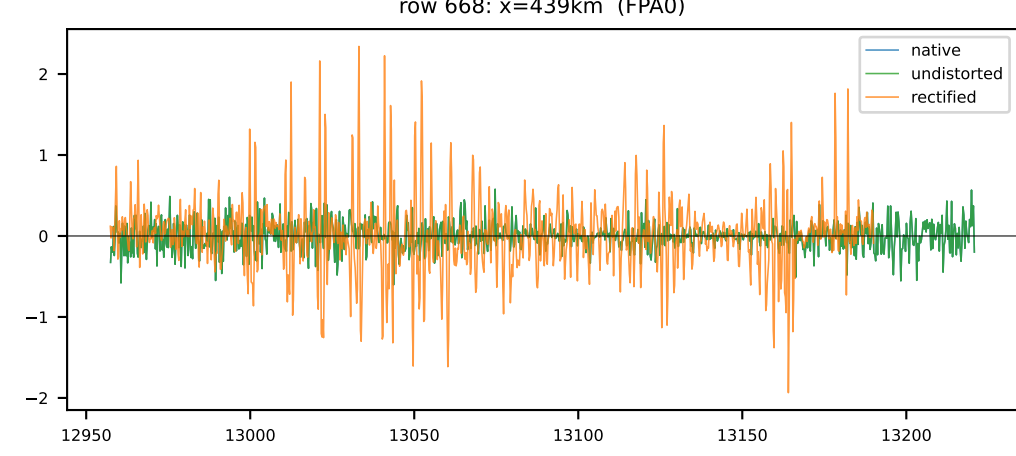

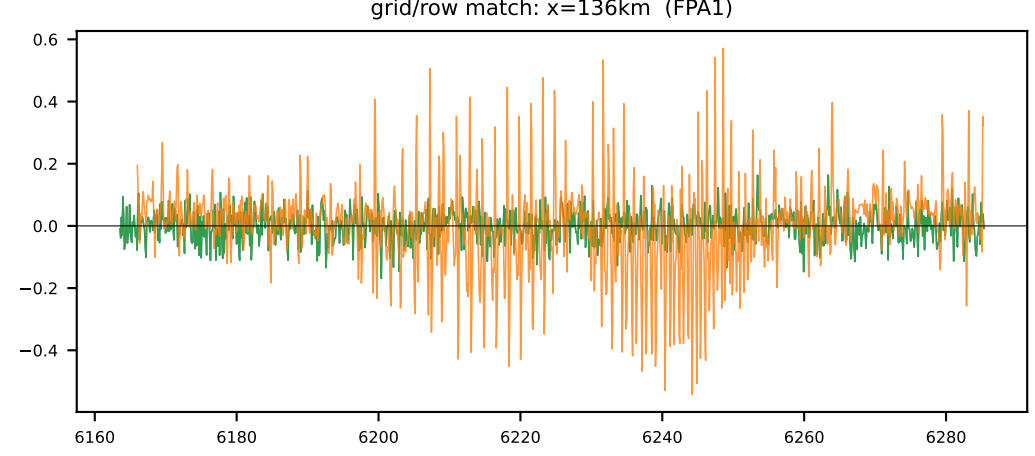

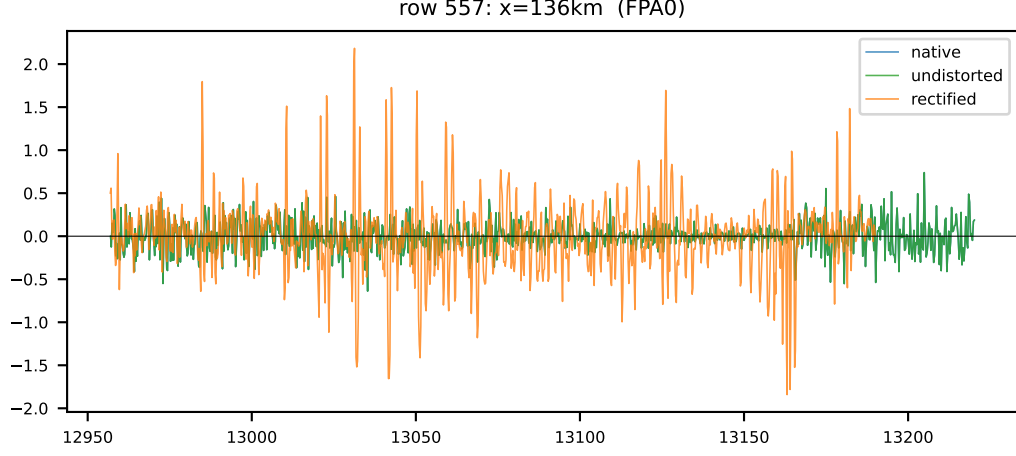

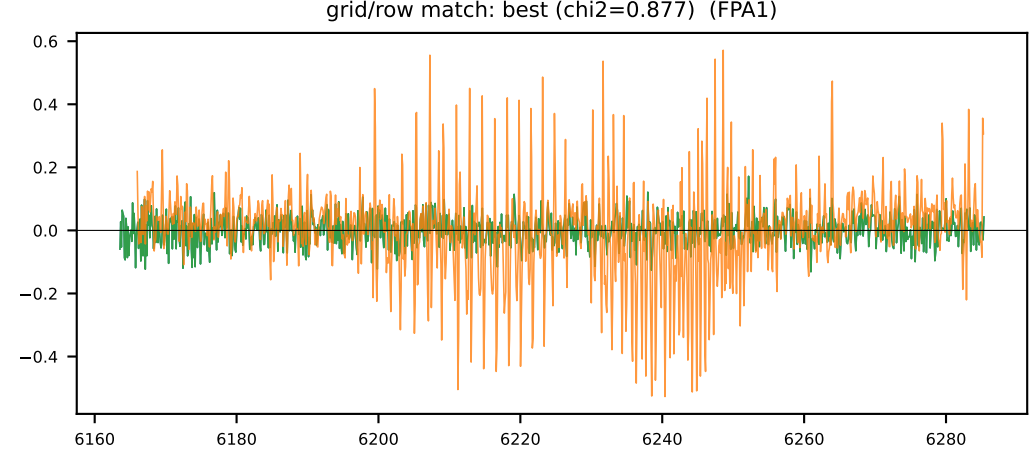

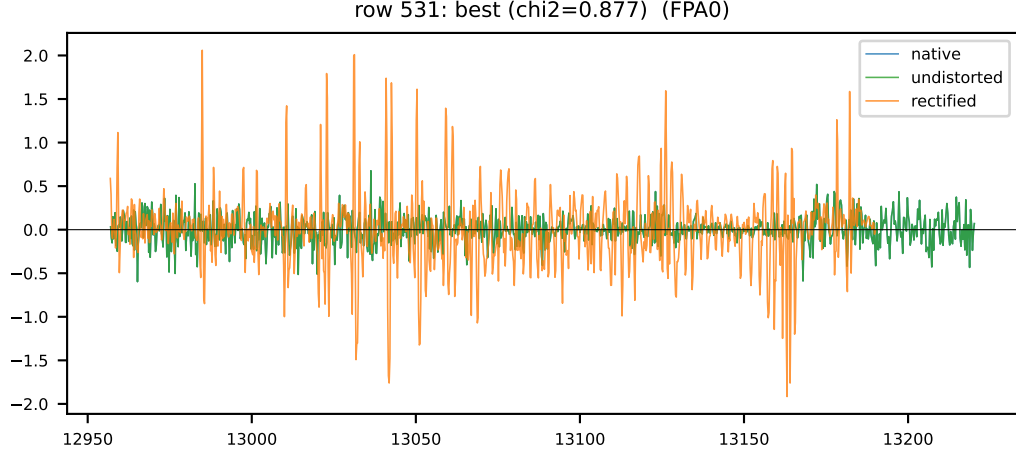

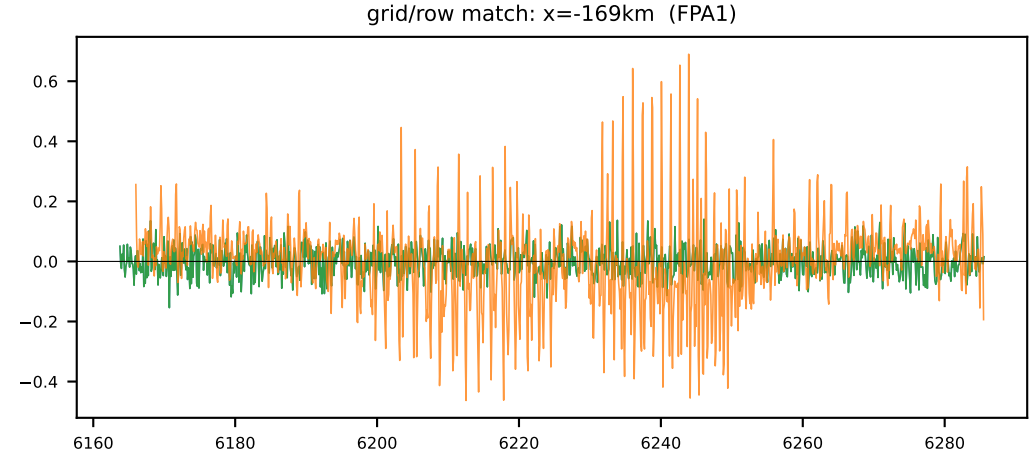

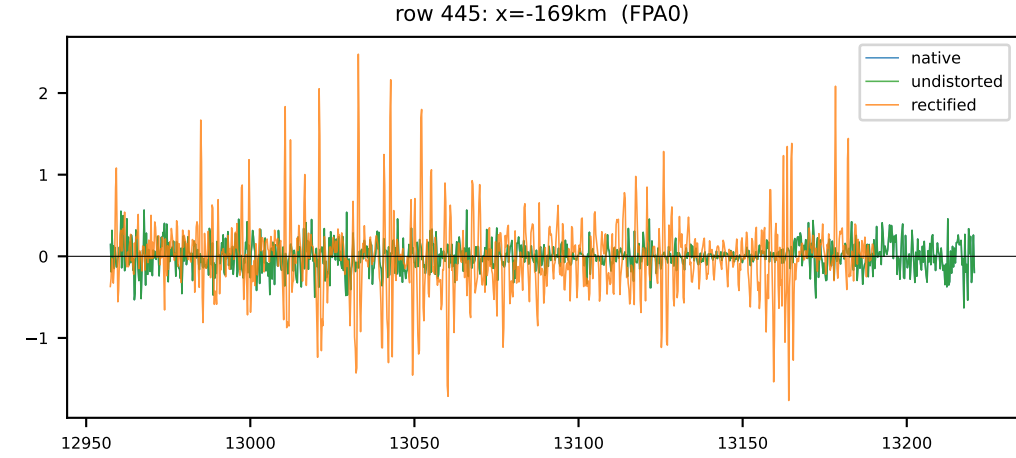

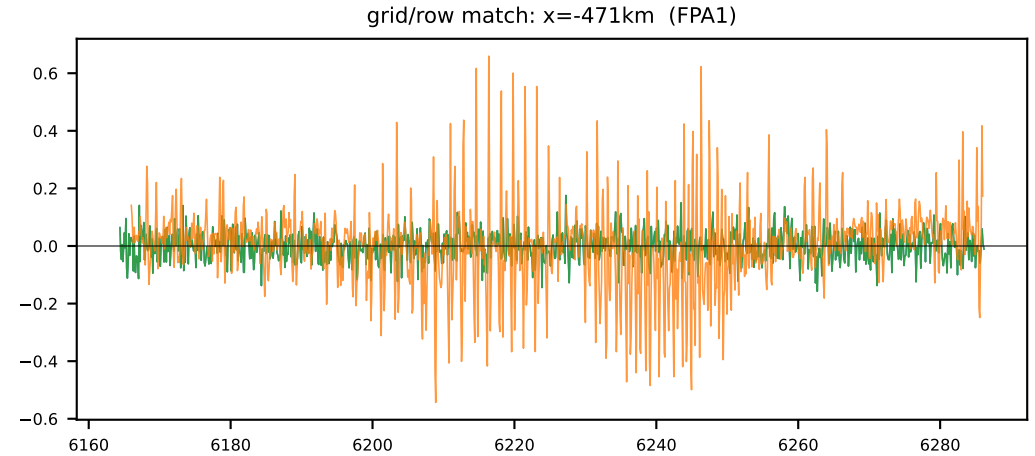

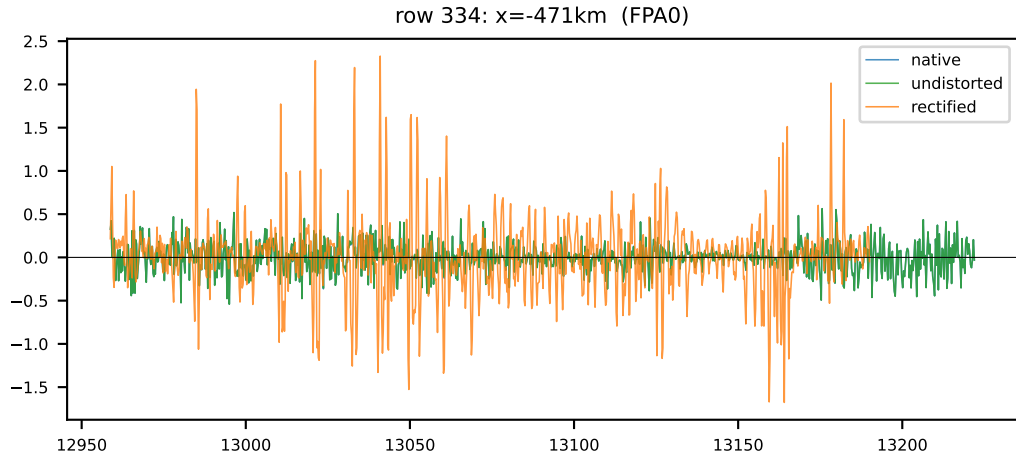

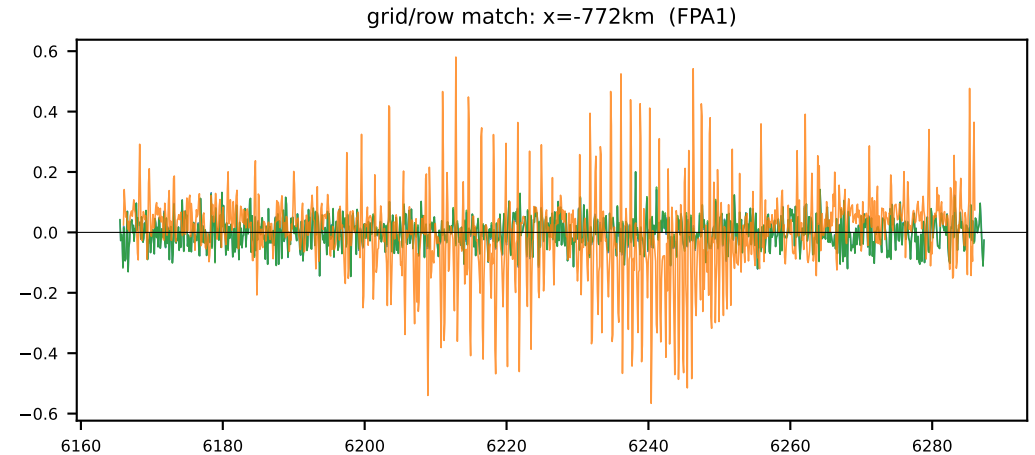

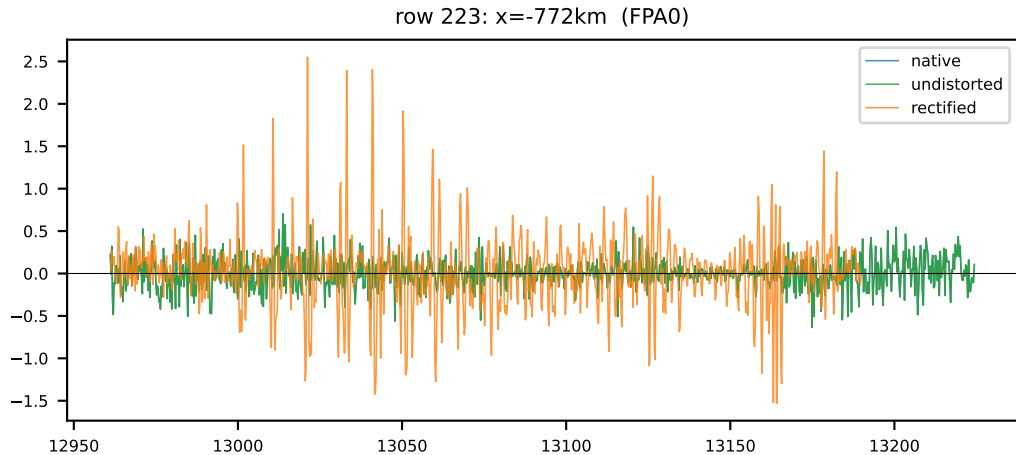

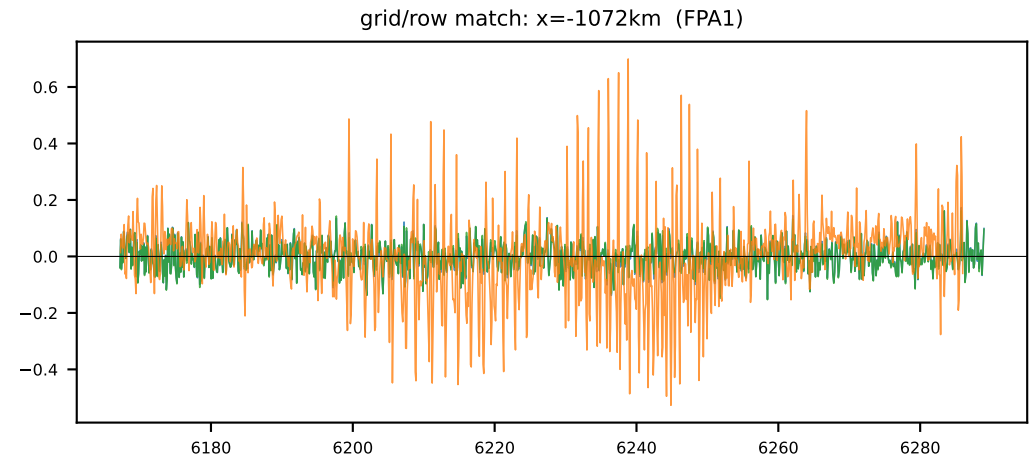

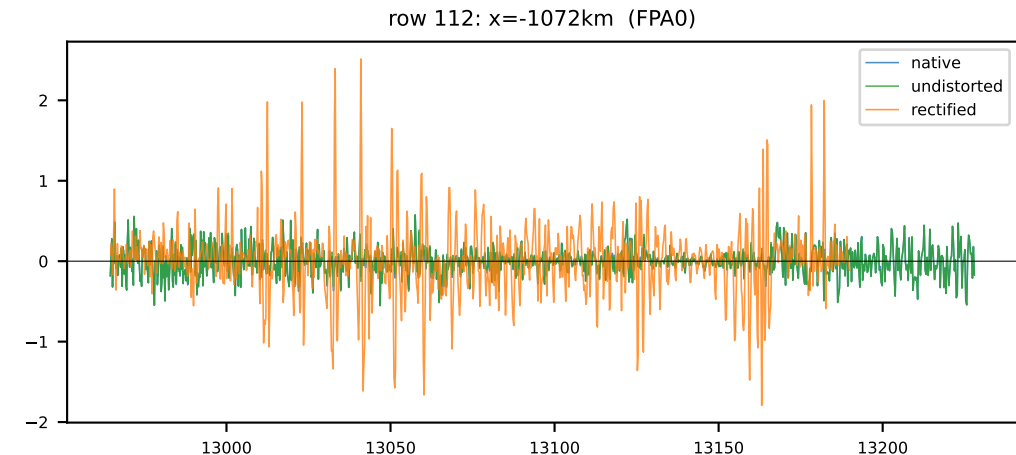

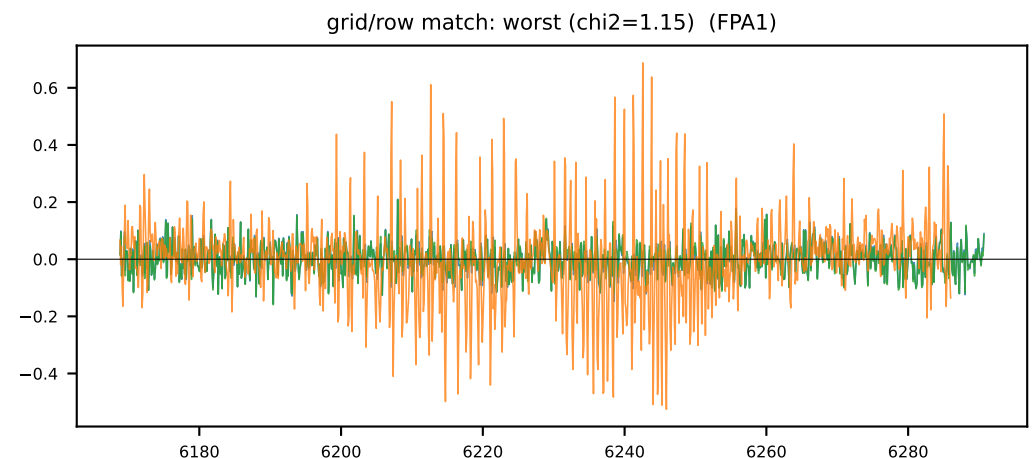

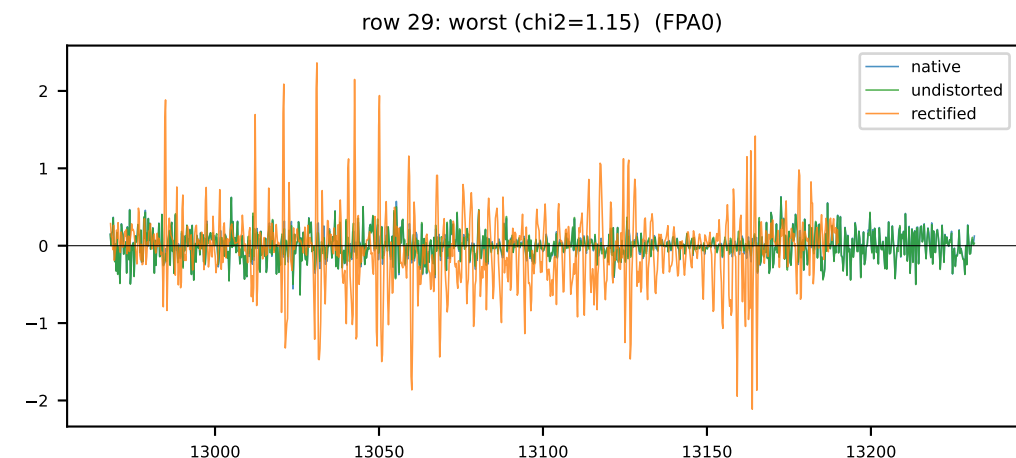

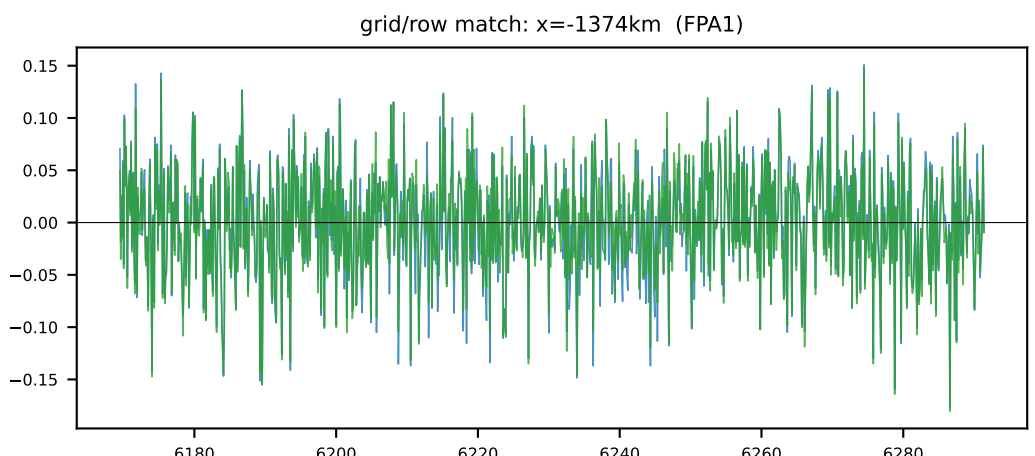

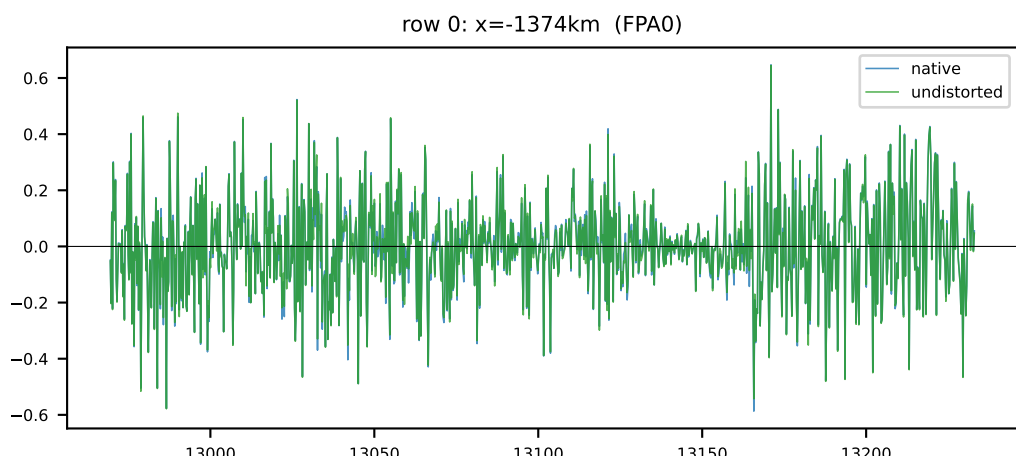

Joint FPA0+FPA1 -- realistic, noise (residual spectra by band: best/worst native chi2 + 10 spanning rows)

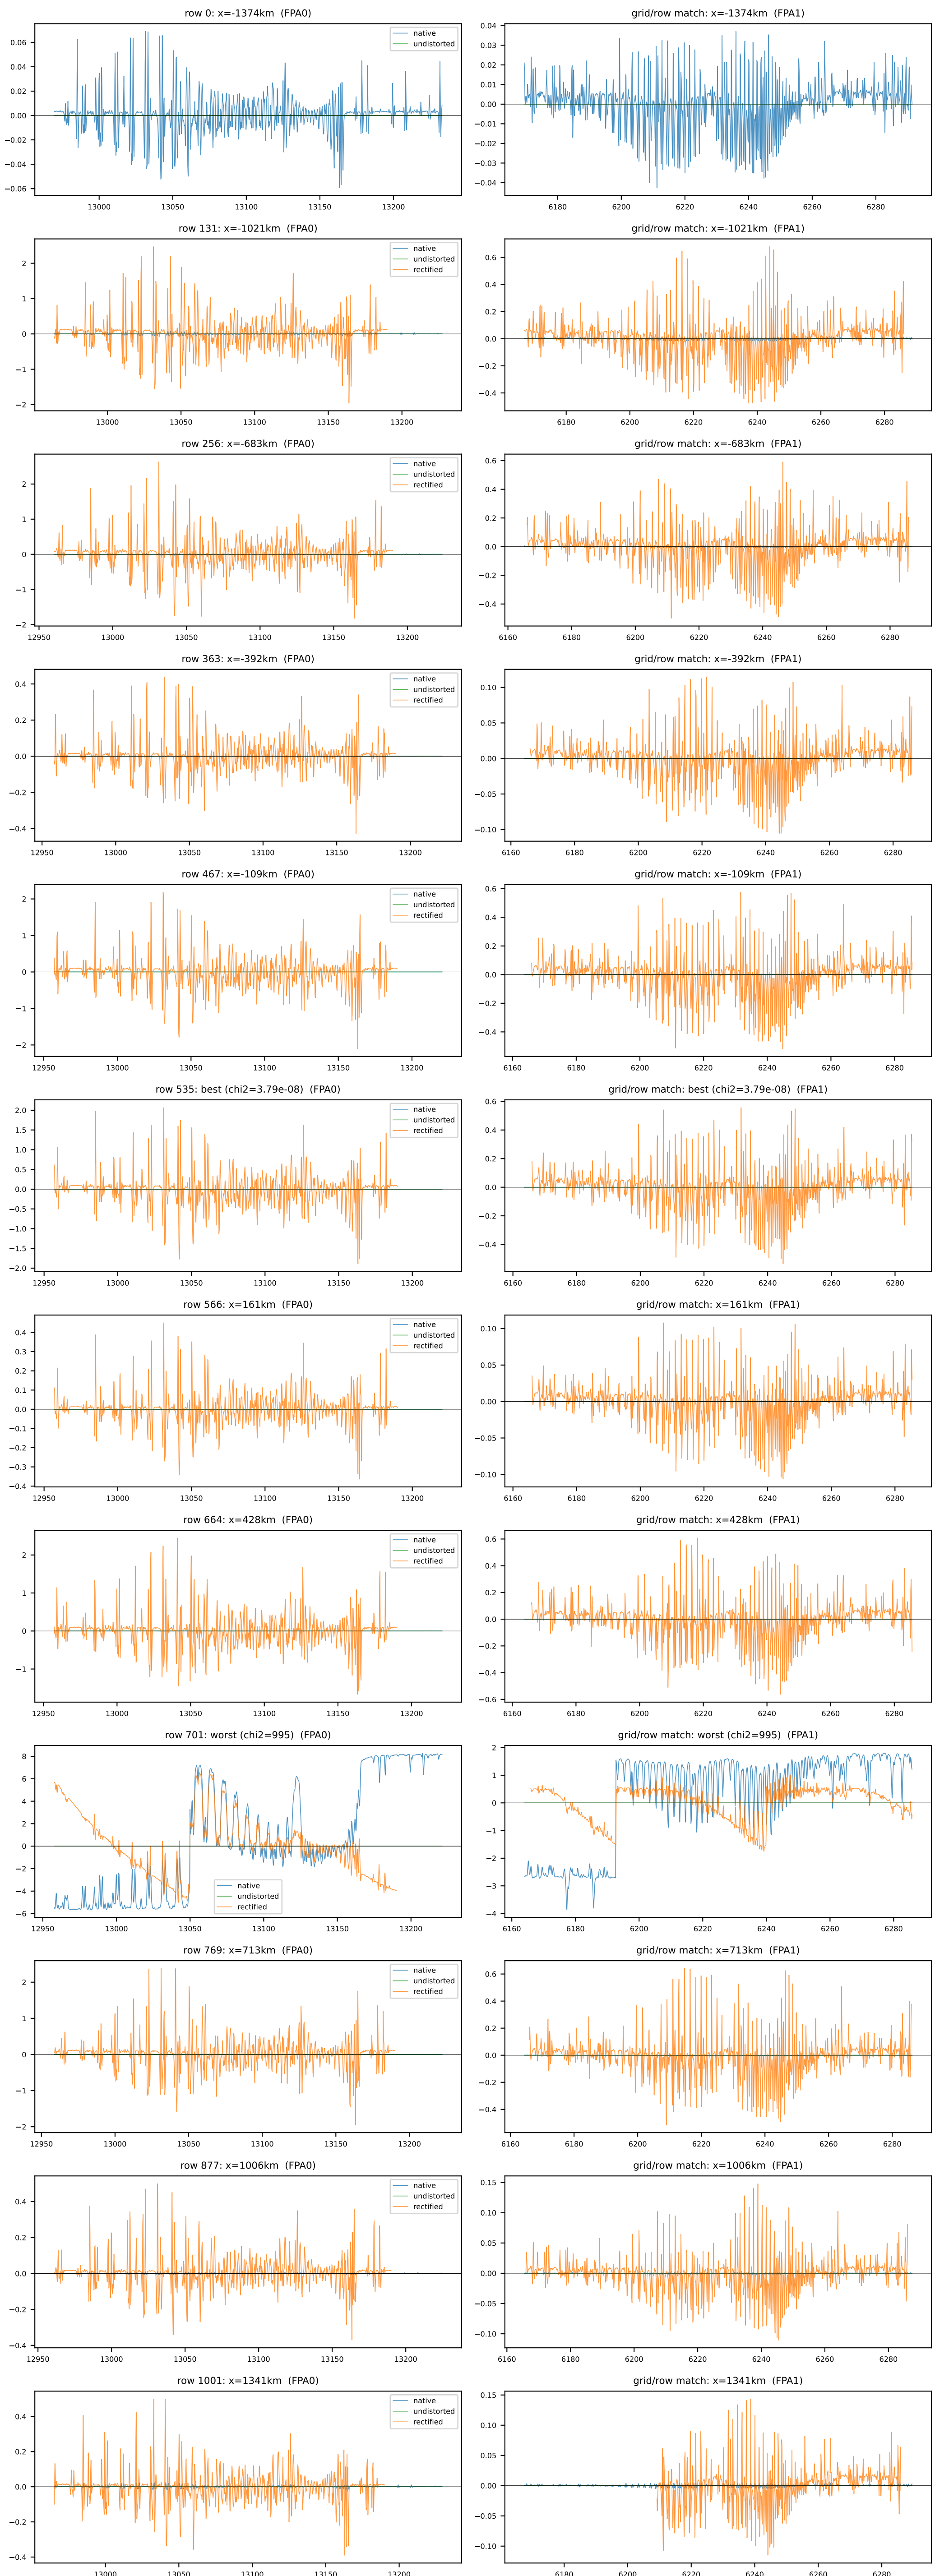

Joint FPA0+FPA1 -- uniform, no noise (residual spectra by band: best/worst native chi2 + 10 spanning rows)

Joint FPA0+FPA1 -- uniform, noise (residual spectra by band: best/worst native chi2 + 10 spanning rows)

Joint FPA0+FPA1 -- barcode, no noise (residual spectra by band: best/worst native chi2 + 10 spanning rows)

Joint FPA0+FPA1 -- barcode, noise (residual spectra by band: best/worst native chi2 + 10 spanning rows)
